BOND 2023-2024

Date: _____

1. I understand that school begins promptly at 7:40 a.m. and I understand that punctuality and attendance is expected. I promise to be punctual, to be at my desk and to remain seated and silent until the buzzer rings. If I am late or if I have been absent from my session, I am expected to bring to the office a written excuse from my parents/guardians to receive an admittance slip. I understand that if I fail to bring a written excuse, I will receive detention and jug. I will also be required to bring the parent note on the following day.
2. I understand that if I miss more that 10% (18 days) of classes without any valid reason, I may not be eligible for promotion.
3. I will abide by the dress code as specified by the school.
4. I will show respect towards all teachers, staff, administration, fellow students, property, and school equipment. I understand that proper speech, actions and attitudes are expected. Failure to do so will result in receiving a slip, detention, and/or jug.
5. I understand that I must be responsible on and off campus and must follow school policies. I understand that any breach of school policies or prohibited behavior could result in serious disciplinary actions.
6. I promise to complete all class work, assignments, projects and any other assessment given by the subject teacher. I understand that failure to do so will result in disciplinary action.
7. I will follow classroom rules set by the teachers.

Information, Communication & Technology Use Agreement (ICT) 2023-2024

The aim of the Belize High School of Agriculture Board of Management is to ensure that all BHSA students have access to improved learning. To this end, BHSA has embarked on an extensive program to upgrade and increase the number of computers in the school.

As part of this initiative, ICT Use Agreements are required to be signed by students, parents and/or parents in relation to the use of computers at school. If it becomes necessary to amend any information, you will be advised in writing.

Cyber-Safety

BHSA is committed to creating and fostering a cyber-safe learning environment. Please read below some Policies and Strategies to help keep students cyber-safe when using ICT in school.

Kindly note that if a student enrolled at BHSA behaves online in a manner that threatens the well-being of another student or adult, on or off campus, the Principal has the authority under the School Handbook of Policies to suspend or exclude a student from school attendance or attending school.

Acceptable Use

Parents, guardians and students understand that this ICT Use Agreement covers the care, use and management of computers in a safe learning environment. Included in the management are security, email, internet access and virus protection.

Care of Computers

Students have access to computers with the understanding that the computers are in good condition. At the time of use, students are expected to report damage issues to their respective teachers.

Policies & Strategies to help keep BHSA students cyber-safe

1. I will not use the school's ICT equipment until my parents/guardians and myself have signed an ICT Agreement form and this form has been returned to school.
2. I will use the internet, email, mobile phones or any ICT equipment only for positive purposes, not to be mean, offensive or to bully or harm anyone else, even if it is meant as a joke.
3. I will go online only when a teacher gives permission and/or an adult is present.
4. I will respect all schools ICTs and treat all ICT equipment devices with care.
5. If I do not follow cyber-safe practices, the school may inform my parent/guardians. In serious cases, the school may take disciplinary measures against me.
